

Sea Freight

TNL International provides a door-to-door service anywhere in the developed world, integrating comprehensive local transport networks with competitive shipping services.

We offer independent advice on the most suitable shipping lines and schedules to meet your needs. Whether you require direct or trans-ship services, break bulk, LCL or FCL, we can provide the solution that best suits your requirements.

- **Worldwide networks**
- **Less than container loads (LCL)**
- **Full container loads (FCL)**
- **Temperature-controlled cargo**
- **Break bulk**
- **Port-to-port or door-to-door**
- **Electronic track-and-trace system**
- **Weekly consolidations**
