

Customs Brokerage

TNL International are able to provide customs clearance of both import and export consignments in every major Australasian port and airport, and are best placed to save our customers time and money as your appointed customs broker.

Our highly experienced team of Licensed Customs Brokers are all quarantine accredited and fully conversant with the latest trends in import/export requirements.

Specialising in the customs clearance of airfreight, sea freight and parcel port cargo, we can competently handle your commercial or personal shipments with the highest level of personalised service. With an intimate knowledge of free trade agreements, tariff concessions, GST deferral, temporary imports and all related services.
